CliftonStrengths Assessment

Welcome to the CliftonStrengths assessment.

Once you click "Next," you will be directed through a series of demographic questions. These questions are completely confidential and will be used for research purposes only.

After the demographic questions, your CliftonStrengths assessment will begin. You will first see an instruction page. Read that page carefully. There are 177 paired descriptors. Select which descriptor fits you best as well as the extent to which it does so. You will have 20 seconds to respond to each pair.

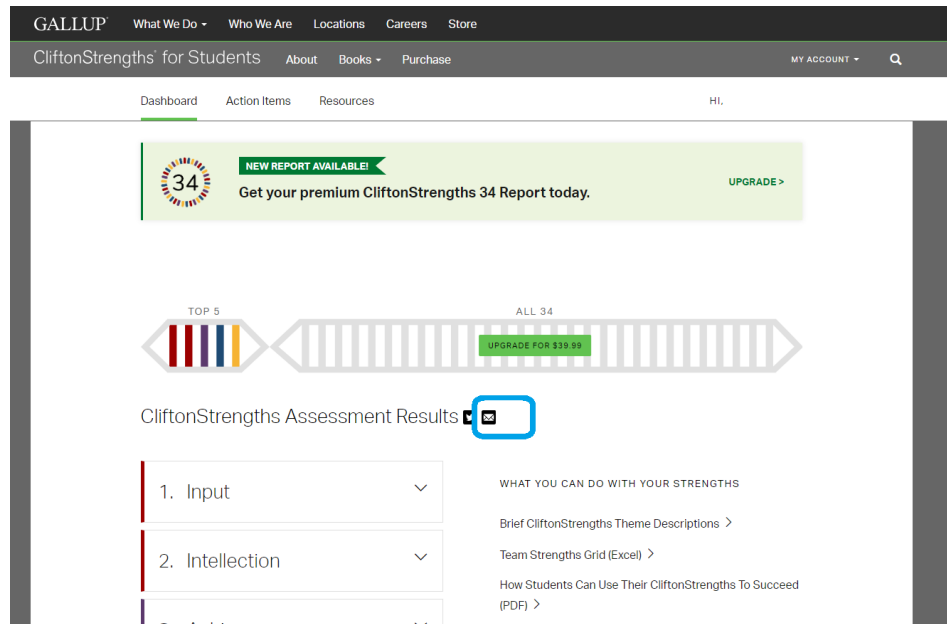

The average completion time of this assessment is 35 minutes.
