# Accessing Clifton StrenghtsFinder2.0

#### **STRENGTHSFINDER 2.0**

"Like your fingerprint, the sequence of your themes is unique to you. The odds that someone has the same 5 Signature Themes in the same order as you are 1 in 33,000,000"

-The Gallup Strengths Center

## Using the code

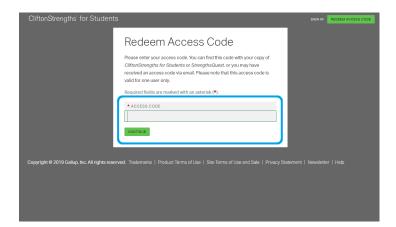

Please set aside 40 minutes to 1 hour for this assessment.

Access the following website: https://www.strengthsquest.com

Once there, please click on "Redeem Access Code" on the top right corner of the webpage.

In the page that follows, type in your access code and press "Continue.

## **Creating your login**

After that, you'll be asked to either login to the website or to create a new login. Chances are this is your first time accessing this website - if so, click on "Register Now".

In the page that follows, input your data - please use your best e-mail address - and **double-check it** - this is the most important information when creating your account.

Don't forget your username and password - they will also be very important in the next steps (write them down).

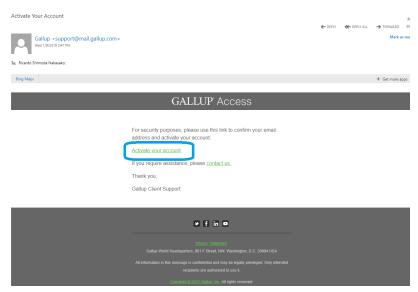

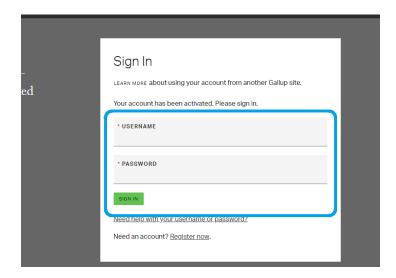

## **Activating your account**

Login to your e-mail account and click on "Activate your account"in the e-mail sent by Gallup.

In the page that follows, type in your username and password to access your survey

Choose the option "Take the CliftonStrenghts assessment" and click on continue. The assessment will start after this.

Remember, there are no right or wrong answers - choose the first thing that comes to mind (they tend to be right on point when thinking about our strengths and personality).
